

SFK-1 Big Dipper Unit Support Frame Kit

For those applications requiring Big Dipper units to be raised off the floor to accommodate sanitation, the optional SFK-1 Support Frame Kit is available. This Frame raises W-200-IS, W-250-IS, and W-250-AST units off of the floor directly at the source. The sturdy, compact design lends itself easily to tight installations.

* Maximum Effective Height - unit will rest on this level. The SFK-1 has Adjustable Legs.
