

SFK-4 Support Frame Kit For Models: W-1000-IS & W-1250-AST

SFK-4 Big Dipper Unit Support Frame Kit

For those applications in a basement or another location requiring Big Dipper units to be raised off the floor, the optional SFK-4 Support Frame Kit is available. The sturdy, compact design lends itself easily to tight installations. The height of the frames allows use of the DRUM-55 Grease Collector when coupled with the SH-3-KIT Sump Adapter Kit. Shipped ready to assemble.

Big Dipper® W-1250-AST & SFK-4 Support Frame
